

MovieBird 24 Specifications:

Max load: 70 kg/165 lbs (head and camera)

Max "All Up" Weight: 1200 kg/2650 lbs

Power Supply: 110 V - 230 V AC

Power Consumption: 13 Amps Max

Specifications may change at any time.

The MovieBird® 24 outperforms all other crane systems in the world in terms of speed, safety, precision of the movement, assembly / disassembly time and any other work characteristics that are crucial to any modern film or TV production.

The extra length gives your camera more creative power than MovieBird® 17, while keeping the whole system more compact and dynamic than with the biggest crane of our line - MovieBird® ST30.
